

# Balance

## Trace Minerals for Dry Feed

### Directions for Dry Feed

Feed Continuously

| RATE   | Performance Expectation        | Amount    |
|--------|--------------------------------|-----------|
| GOOD   | low maintenance trace mineral  | ½ lb /ton |
| BETTER | high maintenance trace mineral | 1 lb /ton |
| BEST   | stress level trace mineral     | 2 lb /ton |

### Handling and Storage

Use only as intended. Though this product is non-toxic and nonhazardous, it is not suitable for human consumption. The manufacturer assumes no liability, expressed or implied, in the use of this product.

Store this product out of direct sunlight in a cool dry area. For best results, use within 12 months. Request a Balance MSDS for more specific information. Made in the USA.

LOT#

PURPOSE: A Yeast-based fermentation blend with trace minerals for further manufacture of feeds.

### Guaranteed Analysis:

| Minerals            |           | Amino Acids (minimum) |        |
|---------------------|-----------|-----------------------|--------|
| Calcium, minimum    | 0.68%     | Aspartic Acid         | <0.01% |
| Calcium, Maximum    | 0.86%     | Threonine             | <0.01% |
| Phosphorus, minimum | 0.009%    | Serine                | <0.01% |
| Sodium, minimum     | 0.44%     | Glutamic Acid         | <0.01% |
| Sodium, maximum     | 0.56%     | Glycine               | <0.01% |
|                     |           | Alanine               | <0.01% |
|                     |           | Valine                | <0.01% |
|                     |           | Methionine            | <0.01% |
|                     |           | Isolucine             | <0.01% |
|                     |           | Lucine                | <0.01% |
| Selenium, minimum   | 0.31 ppm  | Tyrosine              | <0.01% |
| Magnesium, minimum  | 21.0 ppm  | Phenylalanine         | <0.01% |
| Zinc, minimum       | 29.0 ppm  | Lysine                | <0.01% |
| Potassium, minimum  | 98.0 ppm  | Histidine             | <0.01% |
| Sulfur, minimum     | 355.0 ppm | Arginine              | <0.01% |
| Copper, minimum     | 795.0 ppm | Proline               | <0.01% |
|                     |           | Hydroxyproline        | <0.01% |
|                     |           | Cystine               | <0.01% |
|                     |           | Tryptophan            | <0.01% |

Contains: Bentonite, Zeolite, Water, Propylene Glycol USP, Molasses Products, Plant Protein Products, Acetic Acid, Sodium Benzoate, Potassium Sorbate.
