

Relentless Plus

Bedding Amendment

Relentless Plus is derived from all-natural ingredients to increase biological activity and competitive exclusion. Relentless Plus is highly effective in reducing ammonia, pH, and harmful bacteria in litter. Relentless Plus works synergistically providing residual, and long term moisture control.

Application Instructions:

- Apply 50-75 lbs per 1000 sq. ft.
- No incorporation is required. You may want to apply some moisture if needed, at 5 gallons per 1000 sq ft. Consult your product representative for further assistance.

Handling and Storage:

Use only as intended. Though this product is non-toxic and non-hazardous, the manufacturer assumes no liability, expressed or implied, in the use of this product.

Store this product out of direct sunlight in a cool dry area. For best results, use within 12 months. Request a Relentless Plus SDS for more specific safety information.

Made in the USA.

Derived from ALL - NATURAL INGREDIENTS:

Humate, Sodium Aluminosilicate, Gypsum, Iron Sulfate, Aluminum Potassium Sulfate, Rock Phosphate and Montmorillonite Clay.

CAUTION

-Dust may cause eye, skin and respiratory tract irritation. Use safety glasses, dust masks, and wear protective clothing.
